It's time to unite our Veteran & Civilian worlds via the 'Freedom United Walk', an annual community fundraiser for the National Alliance To End Veteran Suicide (NA2EVS.org).

We are asking you for support, either as a main event Sponsor, or smaller levels to support the production costs of this event. We'd also request you be a Vendor at the event either as informational/resource or retail. You might also consider forming a fundraising Team to bring some fun and competitive challenge to your people. Please visit [www.runsignup.com/FreedomUnitedWalk](http://www.runsignup.com/FreedomUnitedWalk) for Walk Details.

Walks bring together Teams; from families, friends, co-workers, businesses, schools, military units and various groups from all over. We use the acronym T.E.A.M. as Together Everyone Achieves Miracles and we formally invite you to join us in Saving Lives of our Service Members and Veterans as either a Sponsor, a Team or both.

Consider that 'No one can DO EVERYTHING, but EVERYONE CAN DO SOMETHING'. Your sponsorship on this event could be your something!

All funds raised from this event help support our programs and services in our focus areas of Education, Resources, Research and Community. An amazing example is our workshop called Operation Veteran Freedom that helps our Veterans & families put their past in their past. You can see the amazing testimonies for this workshop at [www.na2evs.org/ovf](http://www.na2evs.org/ovf). You can learn more about our events at [www.na2evs.org/events](http://www.na2evs.org/events).

Your financial support will help make this year's 'Freedom United Walk' fundraiser a great success!

We are also accepting Volunteers for this event and any referrals would be appreciated.

Please share your intentions with me via email or phone and we will connect to fulfill them.

Respectfully,

*Rod Wittmier*
